

# Finding Divinity

Celebrating the Christ  
light in all of us.

# in Diversity

## Saturday, October 9 - Workshop

**10:00 am - 11:30 am: Creating the Psychologically Safe Church**

Together, we'll explore ways of removing the fear from our interactions, replacing it with respect and curiosity. We have the ability to create a space where everyone feels valued, precious, and welcomed.

**11:30 am: Break, Refreshments Provided**

**12:00 noon - 2:00 pm: Having Crucial Conversations**

If you find yourself trying to prove you're "right," the interaction's already in trouble! We'll discuss the guidelines for loving, meaningful, and intentional conversations that lead to understanding.

## Sunday, October 10 - Sunday Lesson: Speaking Truth

All sessions will be held at [Unity Church of Practical Christianity](#), 9228 Walnut Grove Road, Cordova, TN 38018.

The office phone number is: (901) 753-1463.

A love offering will be collected.

## Rev. Charles Perry, M. Divinity

Rev. Perry is a white guy from West Virginia who should probably be dead right now. Instead he's doing his best to make the world he leaves behind him just a little better than when he found it. He's a Unity minister, and in that capacity, he tries to engage meaningfully with the most pressing social and moral issues confronting our communities and our world. He's also a retired Army National Guard CW4, a deliriously happy husband, a father and grandfather, and an avid Dungeons and Dragons player.
